Subject: Operations report on new services for eastern sales

Date: Jan 2, 2019 at 11:37 am

To: Chris_Brown@allglobe.com

Dear Chris,

My operations team has enabled the new webmail service for all the customers in the eastern region in the quarter so far. We noticed that two of the customers did not have invoice numbers for the order. That seemed a little strange to us so I thought I would let you know. The customers were Buildmore Construction and Premier Education.

Best regards,

Joe
